NOTIFICATION

We hereby notify you that the Application for the grant of a patent of the Republic of Kazakhstan for an invention — in addition to Kazakhstani national Banchenko Denis Yurievich — also names the following foreign natural persons as applicants: OVSYANNIKOVA VALERIA ALEXANDROVNA (Republic of Moldova), KAPUSTIN MYKHAILO MYKHAILOVYCH (Federal Republic of Germany).

Pursuant to Article 36, paragraph 5 of the Patent Law of the Republic of Kazakhstan dated 16 July 1999 No. 427-I (hereinafter — the Law), natural persons residing outside the Republic of Kazakhstan, or foreign legal entities, shall exercise their rights as applicant, patent holder, and interested party before the authorized body and its organizations through patent attorneys.

Article 38, paragraph 1 of the Law establishes that foreign natural and legal persons shall enjoy the rights provided for by the Law on equal terms with natural and legal persons of the Republic of Kazakhstan by virtue of international treaties to which the Republic of Kazakhstan is a party, or on the basis of the principle of reciprocity.

At present, there are no bilateral agreements between the Republic of Kazakhstan and the Republic of Moldova, or between the Republic of Kazakhstan and the Federal Republic of Germany, that would grant nationals of one state the right, on the basis of reciprocity, to conduct proceedings directly with the patent office of the other state.

In view of the above, pursuant to Article 36, paragraph 5 of the Law, we notify you of the requirement to appoint a representative of the applicant — a patent attorney of the Republic of Kazakhstan — in order to exercise the rights to obtain a patent for the invention. The authority of the patent attorney shall be confirmed by a power of attorney.
